The San Antonio Current

Dear Ms. Lopez:

I am writing in response to your ad for an arts editor on the A.A.N website.

I was the music editor and the associate editor of Philadelphia's largest alternative weekly, the *Welcomat*, which is now known as *Philadelphia Weekly*.

The *Welcomat* was not a typical, generic alternative weekly. We covered far more than the trend of the month, whether in music, movies or the other arts. We featured regular columns on dance, poetry, classical music, film and popular music.

As music editor, I brought several new writers to the paper. As associate editor, I was in charge of all free-lance columnists, arts and entertainment, as well as letters to the editor.

In addition to the positions mentioned above, I was also the paper's popular music columnist for eleven years, copy editor and production manager.

Enclosed are several clips of my writing and my resume. I will be happy to provide references on request.

Thank you for your consideration. I look forward to your response.

Sincerely,

Peter Brown
